### Where to Go: **Christmas at Kew**

As one of the highlights of the UK's festive calendar, Christmas at Kew is an unmissable opportunity to herald the start of Christmas or welcome in the New Year.

It's a botanical world brimming with seasonal cheer as twinkling lights and seasonal sounds fill the air.

Discover glittering tunnels of light, dancing lakeside reflections and trees drenched in jewel-like colour.

For a moment of reflection, pause at mesmerising flickering flames in the fire garden, wander beneath larger-than-life illuminations and don't forget to glimpse Father Christmas along the way.

This week I would like to thank all the staff at Wandle Valley for their hard work and commitment. Despite having a number of teaching staff off sick, they have pulled together to make sure that WVA is not only open to all pupils, but still has all the usual activities and lessons taking place.
