Lisa's Inspirational Quote

"I start early and I stay late, day after day, year after year, it took me 17 years and 114 days to become an overnight success."

– Lionel Messi

Favourite Book—Dustbin Baby

April knows she was abandoned in a rubbish bin as a newborn baby, fourteen years ago. Now she's happily settled with her foster mother, Marion - but there's a part of April that's desperate to know where she really came from, and who she really is. If only she could remember her real mother - or even find her . . .

Where to Go: Mudlarking on the Thames

The Thames in London swells with tidal water when that departs the city again at low tide, it leaves behind newly exposed treasures that have been lost in time. Believe it or not, it's possible for tourists like you to descend to the beaches of the Thames and pluck out the remnants of centuries past. It's called *mudlarking*, and it's probably the most exciting way to discover London that I've ever experienced. Here's how to do it.

Check this website on how to do it:

Primary Mathlete: Harrison

This weeks bulletin is dedicated to the fabulous Year 11 leavers.

Last night (06.07.2023) we said our official good bye to the present year11s. We had such a fabulous turn out, with over 50 guests. It was an emotional evening for all those in attendance. Some of our year11s have attended Wandle since they were in year1.

For me it was even more significant as this group of pupils, joined when I also first started at Wandle.

I would like to take this opportunity to say a big thank you to Mr Charles and Marie for making this Celebration Evening so amazing and to all the parents, carers, family members and friends,

For coming and supporting the night.
