Lisa's Inspirational Quote

"We do not need magic to change the world, we carry all the power we need inside ourselves already: we have the power to imagine better."

- J K Rowling

Comedy Week

—This week we started watching a film called 'Norbit', starring Eddie Murphy.

It is about a mild-mannered guy who is married to a monstrous woman, he meets the woman of his dreams and schemes to find a way to be with her.

The pupils really enjoy this, and laughed a lot! They said that they cannot wait to see the outcome next week.

TOP 3 THIS WEEK:

Mathletics

1st—Nicholas—7900

2nd—Justin —1390

3rd—Oscar — 1253

Primary Mathlete: Pijus

This week has been yet another amazing one. With a really positive Parent/Carers Evening, World Book Day and one of our WOW word spelling relay competition.

It is also important to mention International Women's day yesterday.

We may only have a small amount of female pupils at Wandle, but it is important that we recognise how amazing each and everyone of them are and continue to remind them that they can achieve anything that they want.

Happy International Womens Day.

Miss Harris

TOGETHER EVERYONE ACHIEVES MORE

March 8 is International Women's Day. It's a global day to recognize and celebrate women's and girls' social, economic, cultural, and political achievements. It's also a time to raise awareness of the progress made towards achieving gender equality and the work remaining to be done.

The beginnings of International Women's Day can be traced back to the early twentieth century. It emerged from the activities of labour movements in North America and Europe and reflected a growing call for women's equal participation in society. International Women's Day first took place on March 19, 1911, in Austria, Denmark, Germany, and Switzerland. That day, over a million women and men attended public events to show their support. Other countries began to observe and celebrate this day in the years that followed. The United Nations recognized 1975 as International Women's Year and began celebrating March 8 as [International Women's Day](#).

Today, International Women's Day is a day of unity, celebration, reflection, advocacy, and action and is celebrated in many countries worldwide.

MWOW Relay

To celebrate **World Book Day**, secondary pupils participated in a spelling

relay race where they wrote the weekly Maths WOW Words from Spring 1, from memory. The pupils and staff participated enthusiastically and showed off some excellent spelling skills!!

Primary Headteacher

One of our newest WVA members was pretending to be the Headteacher—Miss Harris better watch out, or she may find herself out of a job!

Year 7 pupils working independently on some challenging Maths problems, using the supportive resources provided.

Good work!
