## Secondary Dodgeball Tournament

A group of 7 Year 10 pupils represented the school at a Key Stage 4 Dodgeball tournament, held at Guildford Spectrum Centre. There were 13 other schools involved, with over 100 pupils in attendance.

To start with, we had to play 6 'round robin' matches to find out what seed we will play off for. We won 5 out of the 6 matches, with our pupils im-

proving with every match and working well as a team. There were some amazing moments throughout these games; some pupils making brilliant catches, dodging by lying on the floor, and some fantastic throws to get the opponents out.

Team spirit was high after our 'round robin' matches and we were seeded 3rd in our group. This meant we were playing for the Bronze medal position.

Unfortunately we lost the final match 2 sets to 1, leaving us short on points.

I am proud of how the pupils upheld the rules of the game, and continued to support one and other throughout the day.

We will be back next year to improve our result!
