Lisa's Inspirational Quote

"In a world where you can be anything, be kind."
- Jennifer Dukes Lee

Spotlight on Fishing: Our current group of Secondarys, who are working towards their fishing accreditation, are making incredible progress. The Instructor had nothing but praise about the boys recently, saying "This group are not just a credit to the staff that bring them, but to your school they are representing. You, the staff, and the 5 students, and the whole school should be proud of how they conducted themselves."

2nd—Alicja

3rd—Eric

Primary Athlete—Logan L

I can only say well done to all the pupils and staff at WVA, for demonstrating such great achievements this week.

This weeks bulletin just shows a snippet of these achievements.

WVA Harvest

Since the creation of the WVA Outdoor Education Area over the Summer of 2024, the pupils have been working really hard at culti-

vating the ground and growing their own fruit and vegetables.

This year's harvest was quite a bumper crop, as you can see.

What an amazing achievement by our young people! Gardening teaches

them so many life skills including teamwork, attention to detail and of course patience! *You can't rush nature!*

We're really looking forward to what grows next.
