Lisa's Inspirational Quote

"It always seems impossible until it's done."

– Nelson Mandela

Fishing Awards

Three of our budding fishermen recently received their

Certificates for completion of the Beginners Course.

Well done!!

Mathletics

1st—Nicholas—12,000

2nd—Alicja—7,116

3rd—Oliver C—850

Yet another bumper week of fun and achievement.

We celebrated with rewards trips this week for -

- the 12 most consistently positive behaviour pupils
- Some of our Jack Petchey Winners
- And the achievements of our year 11s via a Awards Afternoon.

I realise that sometimes it is hard for all of us to see the great things that we all achieve, as sometimes these achievements do not conform to the so called norm. It is important for us to really see what we each achieve and remember, what is simple and small to one of us, is huge to someone else and no lesser of an achievement.

Great work from everyone. We all achieved this week.

Miss Harris

Wandle's Outdoor Education Area Update

On Friday 4 July, Tony and Trish from the Gardening Society came to look at the wonderful job staff and pupils have been doing, transforming our garden area into a peaceful haven! They were very impressed with the pupils' knowledge of

all of the plants they've been growing and the changes to the layout of the area, including pathways, water features and seating areas.

Well done to all the Staff and pupils involved in the huge transformation of this area of the school.
