TOGETHER EVERYONE ACHIEVES MORE

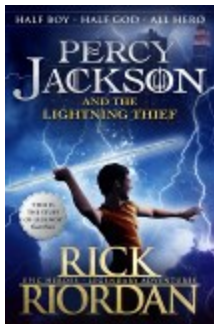

## Lisa's Inspirational Quote

"You can't really compare people..... Because comparing yourself to someone else really stops you from being who you are."

Alicia Keyes

## Favourite Book

Twelve year old Percy Jackson is on the most dangerous quest of his life. With help, he must journey across the United States to catch a thief who has stolen the original weapon of mass destruction. Along the way he must face a lot of enemies determined to stop him. Most of all, he must come to terms with a father he has never known and an Oracle that has warned him of betrayal by a friend.

## Mathletics

### TOP 3 THIS WEEK

1st—Nicholas—3842

2nd—Justin—2170

3rd—Harry W—420

**Primary Mathlete: Harry**

## Where to go: Guilford Lido

Guilford Lido is all-round great family entertainment which includes an Olympic sized pool, beautifully landscaped gardens and a mini-golf course . At the bottom of the slides there is a paddling pool and interactive toys and a mini slide for younger swimmers. There is also free parking and the train station is only a short walk.

This week the Primary Year 6 Pupils have been taking part in SATs exams and I have to share with you how amazing they have been and how proud we all of their personal achievements and management of the stress and anxiety that comes with exams.

Great Work to the primary pupils and the staff team.

## Primary Art Therapy

Here we have some enthusiastic primaries that got up to some art therapy, such as making banana food and clay models of dogs.

## ‘Robin Hood’ Archery

# Great Work

Here we have pictured keen and attentive pupils ready to pull their bow and aim towards their first targets! ‘Robin Hood’ (on the left) not only had some great aim at hitting the archery target but also smashed his personal targets of behaviour and attitudes all day on his trip!

Fantastic display of perseverance, resilience and kindness—  
well done!

## Primary Assembly: Paper Bridge Task

### Conclusion of Assembly sequence on qualities of a great T.E.A.M

Over the past few weeks, Tuesday assemblies have been focused on exploring the motto of WVA: **T.E.A.M.**—a principle which is very important to our school. We thought it was important to explore what characteristics all good ‘teams’ have. Below are pictures of the conclusion of this where pupils were split into two groups and given short, simple instructions. “You have been given 5 pieces of paper per group. Your challenge is to create a paper bridge from one end of the assembly room to the other and cannot move the paper once you have put it down.” Pupils were able to problem solve and work out with good communication and teamwork that if you rip the paper into strips you can create a longer bridge!
