I can not even share in words how proud I am of all the pupils that took part in the Christmas Concert. The pupils were amazing and just showed how unique and able they all are with the right support and safe environment.

There are a few photos of this even included in this bulletin, but there are more to come. I also hope to work out how to share some of the videos, as the singing and musicality of these pupils was fantastic.

Big thank you to the Miss Martin and the other staff that supported her to get this event to happen and to all of you for your continued support to make Wandle such a great family to be part of.

Christmas Concert

Our pupils shone brightly in this year's Christmas concert, performing with confidence, enthusiasm, and wonderful festive spirit. It was a joy to see them share their hard work and talent in front of parents and carers, who filled the hall with support and pride. Well done to all of our amazing performers—you made the celebration truly special!
