Lisa's Inspirational Quote

"Just remember, the true spirit of Christmas lies in your heart."

- Santa, "The Polar Express"

Hello everyone,

It's nearly that time of year for fun and festivities. Next week will be the last Film Club for the term.

We shall be watching a Christmas movie of the pupils' choice and enjoying some nice little treats.

Film Club would like to take this opportunity to wish you all a very Merry Christmas and a Happy New Year.

Please don't forget we have our Christmas Market on Thursday and we look forward to seeing you all and sharing some Christmas Cheer.

For WVA it is not so much about the religious side of Christmas, but more about the ethos of giving, sharing and most importantly thinking about those that may not be as fortunate as us and not forgetting to let others know we are there to support them and care for them.

See you on Thursday.

Christmas Preparations

The Primary children, staff and Art Therapist were able to recycle old unwanted materials from around the school to make four amazing displays in primary. Including out of date Covid Testing Kits.

Children from both Primary and Secondary were chosen to go and collect our fabulous Christmas tree that Crossways donate every year to Wandle Valley.

Massive thank
you to
Crossways Gar-
den
Centre.

Primaries then decorated the tree, including some beautiful handmade decorations from the children, which is on display in the Reception Area.
