For your information:

- These are **walk in** clinics for pupils in Sutton & Merton schools for Reception to age under 18 and home educated children living in Sutton/ Merton borough.
- No appointment needed, there may be a bit of waiting, depending on how busy the clinic is.
- Parents can consent on the day

Continued thanks to you all for helping support all our charity events by contributing. We do realise that times are hard for people and so the donations we have received are even more precious.

We are looking forward to seeing you all at Parent/Carer evening next week and for you to see some of the great building works that have happened.

Offsite Activities

Fishing

Last week saw our pupils catch the biggest fish ever, since WVA started fishing courses. Look at the size of these whoppers!

Very well done boys!!

Horse Riding—Some of our new Primary pupils had a go as horse riding recently.

As always, it was a great success and something we are proud to be able to offer our pupils.

Remembrance Day—Six of our pupils proudly represented the school at this year's Remembrance Day memorial service. They laid a wreath on behalf of our school community and observed the two-minute silence with maturity and respect.

We are incredibly proud of the thoughtful way they honoured those who served and sacrificed.
