Meet Our Staff

We'd like to introduce you to a new member of
the Wandle Valley staff team.

Meet Adam Collie:

What do you do at Wandle Valley?

I am the Yr6 Teacher and Read Write Inc. Lead. I support our early years English learning and create targeted learning interventions for all the pupils who struggle to progress with their reading.

How long have you worked at Wandle Valley?

Over 5 years; first with Teacher training, then as an LSA and finally as Yr6 Teacher, in 2022.

What do you love about Wandle Valley?

I first fell in love with the school through its motto of T.E.A.M. Together, Everyone, Achieves, More which I believe to be true in my wider life. I then grew to love Wandle more over time as it is a place where I have consistently seen pupils arrive with us hating education, before long Wandle becomes a place where these same pupils feel safe, supported and begin to really enjoy coming to school - even if they won't admit this in front of other people! I was an SEMH pupil myself - I am living proof that if you create the right environment our young people will thrive.

Another great week at Wandle, with both pupils and staff working hard to allow progress to take place.

Next week brings Red Nose Day, where we all come together to raise a bit of money for charity (which we do really well) and reflect on others that are less well off than us.

Thank you all, as always for your continued support in making Wandle such a great place.

Thank you
Miss Harris
