Lisa's Inspirational Quote

"When we strive to become better than we are, everything around us becomes better too."

'YES DAY' - Always feeling like they have to say "no" to their kids, Allison and Carlos decide to give their three kids

a "Yes Day," during which the kids have 24 hours to make the rules.

Film club has become even more popular in the last few weeks, we have had to turn pupil's away, which is a shame. We have different year groups joining us now and it works really well.

Next week will be last week of term, so we enjoy some treats. Maybe next term we could try to arrange a trip out to the local cinema.

Have a good break!
