Lisa's Inspirational Quote

"School's out for summer! But remember, learning never stops. Explore, discover, and keep your curiosity alive!"

FILM CLUB

The last film club of the term the pupils wanted to watch Kong Kong Skull Island.

"After the Vietnam war, a team of scientists explores an enchanted island in the Pacific, venturing in to the domain of the mighty King Kong and fight to escape."

As the pupils enjoyed the film we celebrated with popcorn and squash.

Another successful term for Film Club!

TOP MATHLETES FOR 23/24

Mathletics

The pupils named below have gone above and beyond this year to improve their maths skills and knowledge. They should be really proud of themselves, as we are:

1st—Nicholas—196,664

2nd—Justin—89,206

3rd—Fynley—32,206

Primary Mathlete: Pijus—13,333

What a great final week. I can not believe that the academic year is over already!

I would like to thank you and your children for all your support over the course of the year.

I would also like to thank all the staff and Stakeholders for their support.

I can't wait for the new academic year to start. Have a fabulous Summer.

Miss Harris

Non-Curricular Activities

Fynley did a superb job cleaning out the fitness suite cupboard. He also cleaned the fitness suite itself beforehand.

In recognition of his amazing hard work, as well as personal praise, Fynley also received bonus points, a positive message home and a certificate for going above and beyond expectations.

Very well done Fynley!

Enrichment is a time when the whole school can enjoy a variety of activities together. Sometimes this is

sport, or Film Club as is regularly featured in the bulletin. There is also ICT. Here is a selection of pupils ranging from Year 3 to Year 10 enjoying their favourite

ICT pastimes. Fynley was getting to grips with 3D objects using software called Blender. Jayden decided he wanted to improve his Maths, by doing a counting number game on the internet. John had his first session on Minecraft. Pijus has had a few sessions on Minecraft, but still learning and Oscar, is an "old hat" at Minecraft—almost an expert!

Horse Riding

The Primaries have had an amazing year at the RDA Riding School, with one member gaining his Grade 2 Proficiency in Horse Care and our youngest gaining his Grade 1.

Two others also attained their Endeavour Grade in Horse Riding.

Thank you to all the wonderful staff at RDA—We can't wait to get going again next year!

Fishing with Rita

As it's Rita's final week at Wandle Valley, she was given the honour of accompanying the pupils on their weekly fishing trip.

She kept a watchful eye over the boys, who have become very skilled in their fishing!

Rita handing out her 'retirement' cakes to the pupils and staff this afternoon.

Primaries

The primary pupils on Thursday afternoon shared positive vibes, quality music and treats together as they wished a member of staff a positive next step in their teaching journey.

A primary pupil displayed great communication by politely asking Mr Collie to join him for a game of chess. He was very focused and determined; a potential prodigy in the making?

Summer Fair

The sun shone brightly for us this year (we were hiding from the pouring rain last year in the Gym and the Breakfast Club!).

We had a great selection of activities, please check out the photos.
