## St George's Day—23 April

St George's Day marks the death of the Patron Saint of England, who is thought to have died in around AD 303.

Great first week back and the weather has been really strange, not quite Spring. Hopefully more sunshine and less wind and rain next week, will allow for more outdoor activities to take place. Although, Primary and Year7 still managed to have their first Session at Walton Firs. Hopefully we will be able to share photos of these activities in the next few weeks .

## *Easter Fair 2024*

Thank you to everyone who came along to our Easter fair on 28 March!

It was wonderful to see everyone together, enjoying the activities and each other's company. The

smiles on everyone's faces were clear to see and, despite the awful weather conditions, we were so pleased to be able to organise another important occasion in the Easter Fair.

Well done to the raffle winners too - we hope you enjoyed your prizes, and a huge thank you to everyone

who donated the prizes too.

## *Primary Activities*

Swimming was unexpectedly cancelled this week!  
The children accepted their disappointment well and  
staff were able to take them to the park instead.

Well done to all!!
