Lisa's Inspirational Quote

"Believe you can and you're halfway there."

- Theodore Roosevelt

Genre: Horror

FILM
CLUB

*Age appropriate for
Children*

This week the genre for film club was horror!

The pupils chose to watch a series instead of a film, called 'All of Us are Dead'.

We had a good attendance again with everyone being really well engaged and displaying positive behaviour.

TOP MATHLETES

Mathletics

1st—Nicholas—6,190

2nd—Fynley—2,022

3rd—Pijus—1,193

Primary Mathlete: Pijus

I can not believe that we are already in week 3!

It has been great to welcome the pupils back and to see the success of transitioning them all in the Summer term, to their new year groups and classes.

Last years year 11s demonstrated that hard work and using the support that the staff offer, does gain positive outcomes. With pupils achieving 5/6s in Maths and English.

Well done to all of them and the staff.

Primaries

Yellow class have been focussing on 'significant people in history'. This week we looked at the reason individuals can be significant, and what for.

The class were able to group the significant individuals according to their role. The children were then able to discuss their opinions on their significance, and this led to interesting conversations about differences that matter to different people.

Some fantastic focus and creative learning occurring in Maths for yellow group this week. Really engaged pupils during place value sessions!

This week primary had their first cooking session where they were able to make a tasty lentil curry. Excellent cutting skills were practised!

Fishing

The attitude and enthusiasm of the students has been exceptional. I've been proud to take the boys and enjoy watching them embrace the art of fishing!
