TOP MATHLETES

Mathletics

1st—Nicholas W

2nd—Fynley

3rd—Mason

Primary Athlete—Harry

Genre:

Adventure

This week's Film Club genre was "Adventure" and the children chose to watch the 1980s classic—Back to the Future. Even though this was an old film, the pupils were very settled and seemed to enjoy it. Next week they will complete a Review about it.

"Set in 1985 it follows Marty McFly, a teenager who was accidentally sent back to 1955 in a time-travelling car built by eccentric scientist, Doc Brown"

Please keep a look out for the Parent/Carer Survey document. Staff will be available to support you in completing this at parent/carer evening and also on the phone. These documents really help us to continue to make positive change, but also to acknowledge the great work that the staff at WVA do to support the young people that attend our school.

Thank you for your continued support.

Secondaries

During Sports Leaders, pupils worked well utilising some of the key leadership skills, including teamwork and problem solving, whilst persevering to complete a spaghetti tower challenge.

On Tuesday, 8 pupils from KS4 visited the Reed Smith Law firm head offices in Shoreditch, London, as part of the King's Trust personal development programme.

Pupils had the opportunity to learn about the wide range of jobs available at the law firm and the skills required to perform them. They participated in a Dragon's Den-style product pitch, practicing their communication and sales skills.

It was a valuable opportunity to all who attended, assisting them with developing their understanding of the world of work and helping them to further their ideas of what they hope to achieve in their futures.
