This week film club we finished the comedy, Little Man. All the pupils really enjoyed it and couldn't stop laughing.

It was really good

Members of Yellow class create a relaxing environment and used calming techniques to support each other and staff.

We discussed talking through strategies before trying them, and the children were incredibly respectful of individual needs and reactions.

Fantastic display of peer support and kindness.

Yr9 pupil with his Jackson Pollock-inspired piece. He loved working with splattered paint on paper, so much that he requested a bigger and sturdier canvas to experiment with. By the end he was covered in paint and it

looked like he was part of the canvas! However, he looked very proud of himself and even asked if he could take the work home to show his family.

## Climbing:

Climbing is always a successful offsite activity.

We try to give as many pupils as possible the chance to experience it.

The other week, the group made a little detour to Flex FM to say 'Hi'!
