Green Class Trampolining Reward Trip

Green class worked hard to fill their marble jar for showing kindness and team work. As a reward, we went to the Trampoline Park.

We had a really great trip and the children's behaviour was fabulous; they all enjoyed it and were grateful for the experience.

Secondary Curriculum

Year 9s recently started on pottery during Art, practising hand movements and techniques to create these fantastic pots!

Yr11s were treated to a farewell lunch by their Tutors. Here is one pupil trying the chilli sauce!

Year 7 helping create a path in the new garden area
