In a world where there's a lot of talk about 'living your best life' and being your 'best self', *this book shows you how*; addressing modern issues of screen time and social media, as well as the teenage perennials of confidence, positivity, motivation and relationships. Yr11 Home Cooking Exam

The Yr11's completed the practical element of their Home Cooking qualification before the Half Term. This is a considerable task which involves preparing and cooking a 3-course meal, then serving it to their chosen guest. Here are just a few examples of the amazing food created and the work involved.

They all did a superb job and we have every confidence that they will pass their qualification with flying colours.

Very well done to the pupils involved.

Primaries celebrated the Chinese New Year—the Year of the Dragon—which symbolises power, nobility, honour, luck, and success.

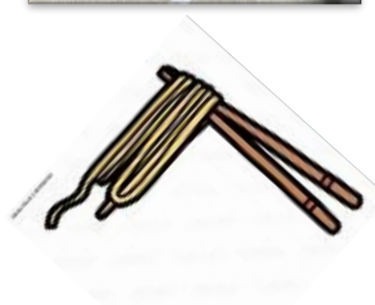

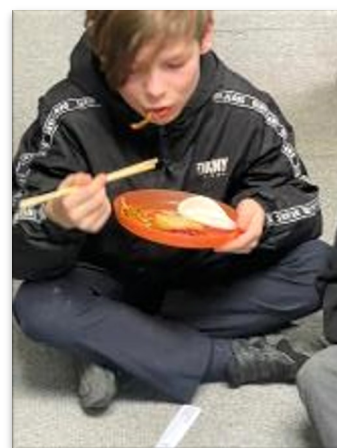

The children sampled some tasty Chinese food.

Who doesn't love noodles & crackers?

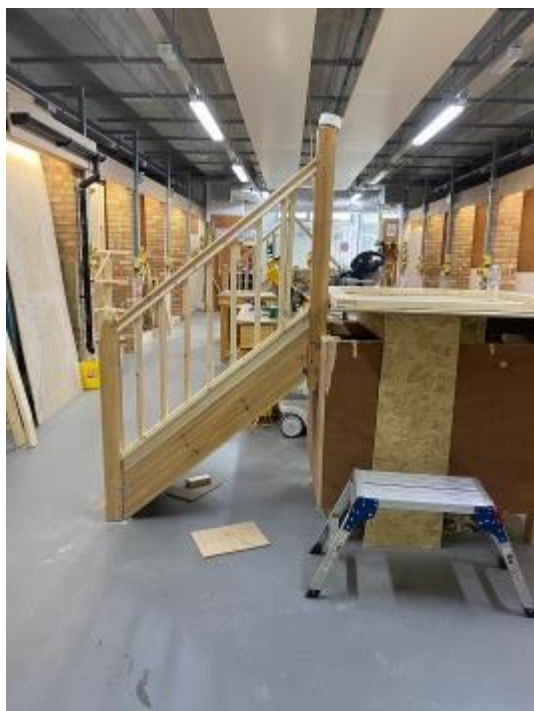

The children did amazingly well using their chopsticks!!
