TOGETHER EVERYONE ACHIEVES MORE

## Lisa's Inspirational Quote

"I'd rather regret the risks that didn't work out than the chances I didn't take at all."

- Simone Biles, Olympic Gymnast

FRIDAY

7 FEBRUARY 2025

On Friday 7 February, we will be supporting the NSPCC by taking part in Number Day.

Pupils (and staff) will be asked to 'Dress up for Digits'. This is where they can into school wearing an item of clothing with a number on it (e.g. football shirt, cap, netball shirt or even a onesie!).

To help raise money for the NSPCC, we are asking for a small donation of £1.

***You must wear a number!!***

**Winners!!**

TOP MATHLETES

Mathletics

1st—Nicholas—12,000

2nd—Fergus—2,688

3rd—Liam—2,305

This weeks shout out has to go to the Primary Champions.

Congratulations to you all, what a great effort and we are all really proud of you.

I am loving having the trophy on my desk.

Thank you

Miss Harris

TOGETHER EVERYONE ACHIEVES MORE

## *Panathlon Winners*

On Tuesday 21 January, five primary pupils went to NESCOL College to participate in a Panathlon Multi-skills Competition, taking part in a circuit of eight activities.

They worked very well as a team and had an enjoyable time. They started strong, maintaining this throughout and as a result came 1st overall!! They were all super proud, as were we of them.

The pupils won certificates and individual medals, along with a trophy which is now proudly on display. They have secured a place in the Quarter Final event to be held later in the year.

**CONGRATULATIONS!!**

TOGETHER EVERYONE ACHIEVES MORE

Last week, pupils in Key Stage 4 participated in a tour of the facilities at Carshalton Athletic Football Club. They experienced a 'team talk' in the changing room and

then had a chance to play on the pitch with some of the academy members. The club offer a post-16 training course, suitable for pupils of all academic and football-playing abilities, to gain qualifications and life-skills, while also getting to play football every day!

It sounded perfect for some!

**8NP**  
**Maths Lesson**  
Pupils working  
hard on the  
ratio unit.

Creating cunning disguises and engaging in role play during communication sessions, with one pupil looking suspiciously like one of the Primary Teachers!

He even had Mr Collie's class greetings down to a fine art!

Last week, as a reward for positive behaviour, Blue class attempted to make slime. Unfortunately things didn't go to plan but everyone had lots of messy fun. Including Mr Collie who somehow managed to get shaving cream all over himself!

**Two Secondary pupils had a go at Blind Football.**

It was a great insight for them and they were remarkably accurate!
