Jack Petchey Award Winners

Every year, pupils are nominated for Jack Petchey Awards.

This year's 6 winners recently received their certificates at school. They have been invited to the official Jack Petchey Celebration Evening at the Epsom Playhouse on 29 April, along with their close family and friends. Watch this space!

Well done boys!

Welcome back

The summer term always comes with such great activities and events.

The first Kayaking session of the year took place this week, and next week sees the first Walton Firs visit. Horse Riding starts again on Monday. Then we have Jack Petchey celebrations, Year 11 Leavers Ceremony, some Jack Petchey Winners trips, Trampolining and hopefully Wandle Wet and Wild.

And much more. Watch this space.

Pupil Voice

In our recent Pupil Voice, we were speaking about Hygiene and how maybe we could put more hand sanitisers around the school.

Also some hygiene posters around the school so it can prompt some the kids and eventually make it in into a natural habit anywhere they go.

Primary Maths Lesson

Yellow Class Maths group have been polishing up their measuring skills this week.

Super accuracy and concentration shown by both boys here!

Spaghetti Bridge Challenge

Green Class recently completed a team building challenge - they had to build a bridge strong enough to hold a thesaurus...using a pack of spaghetti, selotape, string and scissors.

They worked really well together and were successful in their challenge! The part that amazed me most though, was the way they all worked together to pick all of the spaghetti up afterwards!

Enrichment: Cooking

Our Enrichment activities are one of the few times that the whole school mix together, providing positive interaction right across the year groups.
