Week 2

This week we completed our reviews and, because we finished the film last week, we decided to do something different. The pupils had told us about a programme called 'Is It Cake?' The pupils had to join in with the programme and guess which was a real cake. They really enjoyed this, and all participated.

Next week the genre will be *Fantasy*—let's see what the pupils choose!

TOP 3 THIS TERM:

Boot Sale Donations

WVA are running a stall at the Sutton Boot Sale again this year, and welcome donations of any small items such as ornaments, unopened toiletries, toys/games or clothing in excellent condition.

These can be handed in to the School Office.

Thank you kindly!

Another fabulous week at Wandle and really great to see the poetry wheel out in Art. The pupils look like they had a great time learning how to use it.

Also some great photos from the Walton Firs visits, hopefully more to come over the Summer Term.

Walton Firs

This week at Walton Firs, Primaries and Year 7's took part in 3 activities: adventure course, buggy building and the gladiator!

It was great to see good communication and teamwork by all who took part.

Year 9 Art

The Year 9s had a fantastic introductory session with the Potter's Wheel.

They had a chance to try it out, and play with the clay. It was really cool as some of them were super shy and did not want to try it at first. But, once they saw others having such fun, they had a go and then really loved it.
