1st - Nicholas—2000

2nd - Justin—710

3rd - Lashaune—640

## Mathlete of the Week:

Alfie C

## What Can We Do?

How about something free?

At the top of Box Hill is a view point. When you get there, there is an old fort to read information about and explore ... there is a cafe up there so you can walk, explore, learn and have fun. There is also a really good nature trail to follow.

I Just wanted to apologise in advance for the disruption that will be caused by the strike action on this coming Wednesday. Thank you for your support.

Miss Harris

## Preparation for Numbers Day Next Friday

**Number Day is on next week Friday, 3rd February**

*On Friday 3rd February, we will be supporting the NSPCC by taking part in Number Day.*

*Pupils (and staff) will be asked to '**Dress up for Digits**'.*

*This is where they can come to school wearing an item of clothing with a number on it (e.g. football shirt, cap, netball shirt or even a **onesie**!).*

*To help raise money for the NSPCC, we are asking for a small donation of £1.*

Thank you for your support in advance!

## Congratulations to our Deputy Chair of Governors

I was invited to visit No 10 Downing Street alongside my boss, who has set up some successful businesses.

We discussed business policies with some of the Prime Minister's advisors, and my boss met him too! They listened patiently, but they need to make lots of tough decisions to run the country.

No 10 was a very big and grand office inside. Just like a tardis!

It was a real privilege to visit, and just proves that if you have ideas you believe in, you should pursue them and be persistent. You never know where you'll end up!
