## Lisa's Inspirational Quote

"Your imperfections make you beautiful, they make you who you are. So just be yourself, love yourself for who you are and just keep going."

– Demi Lovato

## Favourite Book

The ghastly Mr Skumskins O'Parsley's favourite dishes include wormcast butties, squashed tadpoles on toast and bogey burgers. O'Parsley decides one day to bake an extra special cake, with more revolting ingredients than you can possibly imagine. However, when the cake decides to eat HIM, he realises it is time to mend his ways.

## Where to Go: Bocketts Farm Park

Bocketts Farm is a working family farm near Leatherhead. The combination of animals and play areas, both inside and out, you can be sure to have

fun, come rain or shine.

[www.bockettsfarm.co.uk](http://www.bockettsfarm.co.uk)

Watch the pig race, hop on board the tractor and trailer, cuddle cute rabbits and feed the farm animals. Being a working farm, there are always baby animals to see including lambs, kids, piglets and chicks. With trampolines, giant slides, a bouncy pillow, 2 large indoor play barns and outdoor adventure trails, plus lovingly homemade food in our gorgeous Old Barn Tearooms, Bocketts Farm Park makes for a brilliantly exciting day out for the entire family!

Another really great week at WVA.

Look out for next week's bulletin, with updates on the Fishing and Lord Wandsworth College trips.

We are really fortunate with the amount of offsite activities that the staff at WVA help to make happen. Thank you to you all.

## Other Bits From The Week

Phone holder made by Nicholas (Yr7). Lisa asked for orange and pink, and he delivered!

*Well done Nicholas!*

### Year 9 Budding Mathematicians

One helpful Primary showing another how to do his laces, showing great supportive skills!

**Can you do this?**

If not then Tommy can show you.

## Speech & Language Therapy

Dear Parents/Carers,  
*It's the final countdown!*

The Therapy Hub is buzzing with everyone's excitement for the final stretch before the Summer Holidays. This term is always great for reflection, for therapists and students alike. It's a time to review progress, celebrate wins and set new goals for the next academic year.

I therefore wanted to share another resource with you all that can help you and your child reflect on some key questions at home. The activity here is just a start; you can adapt the questions in any way to make them your own: pick a monthly theme/topic, add some planning questions to the mix, or just use this idea as inspiration for a holiday game:

**Step 1:** Cut out and create the dice below.

**Step 2:** Roll the dice, choose the corresponding box and ask yourself (or someone else) one of the questions.

Someone skipped me in line	My friend is bothering me	Someone is being mean to me	The game I want to play is being used by someone else	Someone broke my crayon
I forgot to bring my homework	Someone is breaking the class rules on purpose	My teacher says I can't play right now	Someone wants to use the toy I have	Someone is hitting another peer
I feel angry and want to hit something	The swings at the park are being used	Someone spilled their drink on me	I want to run to the playground	I can't find my crayons
The movie is very scary	Someone hit me	I see someone not sharing	I see someone getting pushed at the park	The work is really hard

I found this lovely resource on TeachersPayTeachers and it is free to download if you want a digital/larger printed version: [Social Skills Dice Game](#)

I hope you enjoy this game and supporting your children's speech, language and communication needs at home!

As always, please do reach out to the Therapy Team if you have any questions or would like to discuss any of the pupils' provisions.

Warm regards,

Chevonne
