1st—Nicholas—12,000
2nd—Alicja—4,400
3rd—Harry —2,020

Primary Athlete: Harry

I am pleased to say that as a result of gaining additional funding last year, we were able to develop an Outdoor Education Area for the school. As a result we are hoping to start our own Wandle Shop, in which we will be able to have products, such as fruit and veg, along with Jams and other products. This will be a Cross Curricular school project and we hope we will be able to have a stall at our Summer Fair.

Thank you to all the pupils and staff for all their hard work in this area of the school.

Cultural Diversity Day

Last Friday's Cultural Diversity Day was a great success!

We would like to say a HUGE thank you to all of the pupils, parents and carers, as well as the staff, that contributed to this day.

The pupils learned about traditions from different cultures and tried a range of foods. They showed real interest when learning where the different foods came from, and enjoyed eating it all even more!

Outdoor Education Area

Primaries and Secondaries have been steadily cultivating our new outdoor education area. Already, wildlife are loving it! Here are some recent photos.

Year 6 looking at beetles and snails

Planting out sun Flowers

Making a water feature!

Year 9 Maths

Primary and Secondary working together during Enrichment, to operate a remote controlled car
