"Your real strength comes from being your best you."

- Po, Kung Fu Panda

TOP MATHLETES

Mathletics

1st—Nicholas—8,400

2nd—Fergus—1,242

3rd—Jay—1,240

Primary Athlete: Pijus

REMINDER:

Our last day before the Half Term is next Friday 14 February 2025.

Back to school on Monday 24 February 2025.

Have a lovely Half Term!

Genre: Crime / Thriller

FILM CLUB

Film club this week was very popular, with new pupil's attending. They all seemed to enjoy their experience.

For this week's genre they chose a film called 'Carry On' which is about a mysterious traveller who blackmails a young TSA agent into letting a dangerous package slip through security and onto a flight on Christmas eve.

Next week is last term, they will finish the film, complete a review and enjoy end of term treat.

I wanted to take this opportunity to thank all the staff for helping keep the school, not only open for all the pupils, but running really well. Despite a large number of staff off unwell.

A big thank you and wishing all the pupils and staff better that have been unwell.

Yr6 Shadow Story

Year 7 Free-Writing

This image shows the product of a free-writing activity based on the image.

Frankie's piece included great imagination, as well as checking their work for errors.

Amazing focus too—
well done!

Green Class ...

... have been playing bingo to advance their multiplication learning.

Introducing learning via games is a great way of engaging pupils.

9EM ...

... working together
as a TEAM to
complete a
Star Wars puzzle

Mission Accomplished

Over the past few weeks Blue Class, with the help of Primary, have been working together to finish the polar bear sculpture that was started by last years Blue Class.

As the famous saying goes:
"many hands make light work"

Together, through working as a T.E.A.M,
we have managed to create a fabulous paper Mâché polar bear!
