1st - Nicholas - 2500

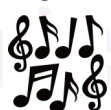

2nd - Eric - 870

3rd - Tiago E - 673

Get to know the subject

Music

To learn music at Wandle Valley means to perform, compose, listen and appraise many genres of music.

The pupils have the opportunity to learning how to play a variety of instruments as well as gain skills that can be used in music and socially. At KS3 pupils will study topics such as Reggae through to the Orchestra to the Blues.

At GCSE, they will be able to engage with the Music industry and develop a range of relevant practical, technical and managerial skills.

Art and Craft is a big part of Wandle life. Our pupils love to express themselves by making things, as you can see from this week's bulletin.
