

LISA'S QUOTE OF THE WEEK

"A little progress each day adds up to big results."

Chess club

Chess club brought some tense, strategic games this week, with stalemates and a final checkmate win!

Careful moves, concentration and plenty of determination.

Food Tech Year 11

Our Year 11 pupils made chicken burgers that looked amazing. Sadly, neither offered the Food Tech teacher a taste!

From preparation to the finished burger

Food Tech Billy's money saving ideas

For his BTEC coursework, Billy in Year 10 independently created a poster with practical ideas for saving money when shopping and cooking at home.

Choose frozen or tinned produce:

Look for yellow stickers:

Stretch meat with pulses:

Collect store points

Grow your own herbs

Grow your own fruit and herbs

Batch cook meals

Buy when food is on special

Cook extra and freeze

Turn electric when not using

10 :9:26

Billy

Independent thinking

Billy came up with a range of useful ideas, from planning meals to using ingredients wisely. Well done, Billy!

7VLA Stronger together

7VLA have been working as a team, practising compromise and finding ways to solve problems together.
