Big thank you to staff and pupils for making Friday's Jeans for Genes Day so successful and for our Science Teacher making and sharing resources to help us all understand this area of science.

This week sees the Macmillan Coffee morning. Please let us know if you are attending so we can prepare for the numbers and have enough cake for all!

Focus on *Therapeutic Art*

The pupils have got off to a flying start with their Therapeutic Art this term. Here are some exciting snapshots!

Amiyah has created a wonderful cat face with a hover board cover, a kazoo and tube whiskers and such a friendly smile....and it's on wheels...of course!

Yr10 painted the wooden box using acrylic pens beautifully and has begun to decorate it with gems. wheels...of course!

Frankie making a human spine.

Yr8 starting his painting project, preparing the background

Needle threading takes a great deal of concentration, as this Primary discovered.

Yr7 working with fabric, concentrating with precision on his cutting and sewing.

This Primary had lots of experimenting with gloves and filling them with water...and glitter. Trapped bubbles made a great game!

Amiyah created this fabulous piece—knife and fork caught in action, about to cut into this juicy strawberry!

Yr8 beginning his coiled snake project
