Hot Hot Hot

As you will already be aware it is going to be hot next week. Please can we ask for our help in making sure that your children are dressed for this weather. You will all be aware that many of the pupils at WVA like to where jumpers, coats and extra jogging bottoms under their trousers. In this hot weather please make sure that this is not the case.

Pupils should look to where their polo shirts and shorts.

Please make sure that if shorts are worn that they are of an appropriate length.

Water will be provided in school and if pupils are bringing their own water bottles in, please make sure these are not metal, expensive or large.

Miss Harris

Wandle's Cultural Diversity Day Friday 26 June 2026

On the day: Pupils are invited to wear the colours of their flag / traditional dress.

Pupils are encouraged to bring in a food / drink contribution from their culture.

Chessington World of Adventures Reward Trip

Both our Primary and Year 7 pupils recently took part in Wandle Valley Academy's annual excursion to Chessington World of Adventures, and what a fantastic day it was! Despite being a large group, the pupils represented the school exceptionally well throughout the day. From the moment we arrived, there was a real sense of excitement and anticipation, with pupils eagerly planning which rides and attractions they wanted to experience.

The day provided many opportunities for our children to develop their independence, social skills, and emotional regulation. Managing excitement, waiting patiently in queues, making sensible choices, and working together in friendship groups were all important parts of the experience. Staff were particularly impressed with how pupils supported one another and demonstrated excellent behaviour throughout the trip. A wide variety of rides and attractions were enjoyed, ranging from thrilling roller-coasters to family-friendly adventures, with plenty of smiles, laughter, and memorable moments along the way. The excursion also gave pupils the chance to build confidence, strengthen friendships, and create positive shared experiences outside of the classroom.

A huge thank you goes to all staff involved in organising and supporting the trip, helping to ensure that the day ran smoothly and safely. Most importantly, well done to all of our pupils, who made the day such a success and represented Wandle Valley Academy with pride.

Year 7 Transition After a very busy year, our Year 7 pupils are preparing to move into Year 8. Following a very successful trip to Chessington, they enjoyed a final farewell breakfast, kindly organised by Miss Martin-Taylor.
