Lisa's Inspirational Quote

"The bad news is time flies. The good news is, you're the pilot."

- Michael Altshuler

Therapeutic Art

Yes! A pig with wings! Perhaps pigs can fly after all! Jada made this stuffed toy with decorative wings, tail and arms for her friend.

*Glue gun the sprinkles onto the donut today...next stop painting them with a very thin brush!

TOP MATHLETES:

Mathletics

1st—Nicholas W

2nd—Summer

Great to see Summer on the leader board

Next week is our end of year assessment/exams week across the whole school. This is an opportunity for our pupils to gain an understanding of what they have learnt and for staff to have a better understanding of what to plan to support the needs of our pupils to make sure they achieve and become the best versions of themselves.

Good Luck to all of them and well-done in advance for giving it a go.

Miss Harris

Year 10 Walton Firs – Week 6 Update

Primary Outdoor Education Visit – Walton Firs

This week, we took another group of primary pupils, supported by two secondary pupils and staff, to Walton Firs for a day of outdoor learning and adventure.

The day began in the castle maze, where pupils took part in games including *King of the Castle* and *Tag*. These activities encouraged teamwork, communication and lots of energetic fun.

We then moved on to the low ropes course, which proved to be an excellent activity for developing trust, cooperation and problem-solving skills. Pupils worked together to support and encourage one another as they tackled the different challenges.

Although the weather looked as though it might affect our final activity, the rain cleared just in time for the students to take part in buggy building. The pupils showed fantastic engagement throughout, working together to design, build and test their buggies. It was wonderful to see their creativity, resilience and teamwork on display.

All of the pupils represented the school brilliantly, demonstrating positive attitudes, excellent behaviour and a willingness to embrace every challenge. We are incredibly proud of how they conducted themselves throughout the day.

Learning through experience, not just the classroom
