2022

School Council

want to

design

a

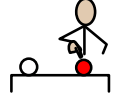

banner

for the

hall.

This

would

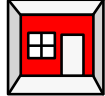

go

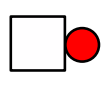

on

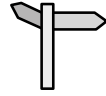

the

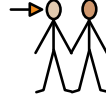

wall

next to

where

they

meet.

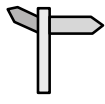

David

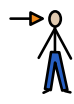

talked about

some

signs

he

had seen

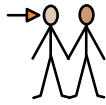

on

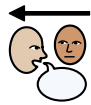

some

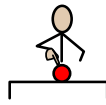

bins.

They

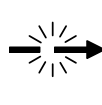

said

what

would

happen

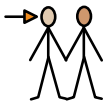

to the

rubbish

inside

them

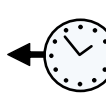

when

the

bins

were

collected.

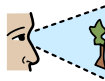

School Council

are

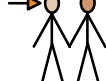

going to

see

if

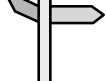

they

could

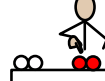

have

signs

like

these

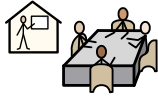

for the

bins

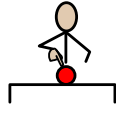

in school.

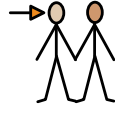

School Council

thought about

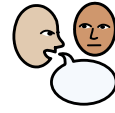

what

they

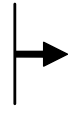

might

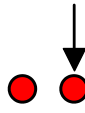

say to

someone

from

another

school

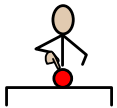

about

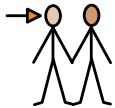

Warmley Park

and

what

they

might

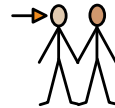

like

to

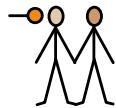

ask

them

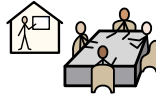

about

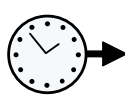

their

school.

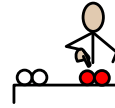

School Council

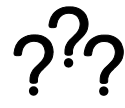

will

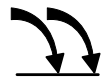

think about

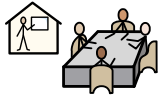

these

questions

again.

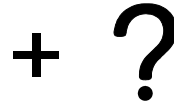

School Council

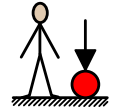

talked about

Covid

and how

to

stay safe.

There

is

going to

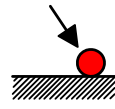

be a

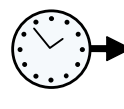

First Aid

Club.

There

will

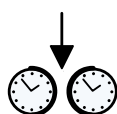

be

more

information

soon.
