School Council

chose

who

would

be the

Citizen

of the

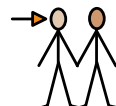

Month

for

February.

They

want

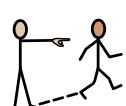

more

people

to

send

in

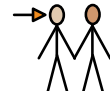

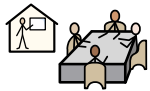

suggestions

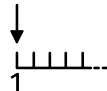

for

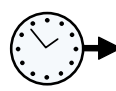

next time.

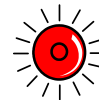

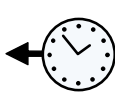

School Council are to present a certificate for things they

1

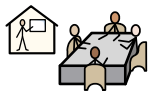

think are special. The first one will be awarded to

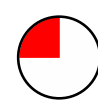

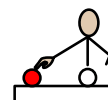

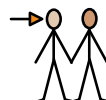

someone who was very sensible when the Fire Alarm

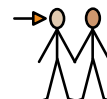

went off yesterday.

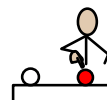

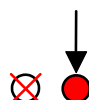

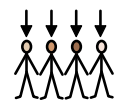

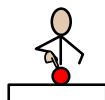

School Council are thinking of changing their name to

Warmley Park Council. They want a name that includes

the College and Nursery, not just the School. They

want to know what everyone else thinks about this

idea.
