

 -  7  2024  
School Council - 7th May 2024

         
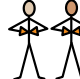

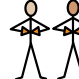

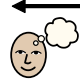

We began the meeting by voting for Citizen of the Month. Well done

     
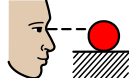

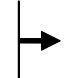

Harvey from Parsley class.

          
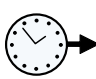

Jill came to the meeting and asked us where we thought the

           
portrait of King Charles should go. We decided on the main

           
Reception area and Jake will help Steve to put it up.

            
Amy also came and gave us an update on play. We thought

            
it might be good to look at the play pod from Scrap Store.

         
The next meeting will be on the 11th June..
