

**Kieran is consistently helpful to both pupils and staff in class and around the school. He helps to set up the classroom and remember certain events. He supports younger pupils in class with their work and younger pupils in the playground at playtimes. Kieran has been very active in collecting for the celebration club and helping to make the bacon rolls and cakes for the cafe. In the playground Kieran has also shown maturity and self-control in dealing peers, by laughing off comments and ignoring negative talk.**
