

Spring has arrived!

Chamomile class pupils were very helpful in the kitchen garden this week. They dug over the vegetable beds and weeded them. They also prepared the potato planters and planted potatoes deep down in the soil. Well done Chamomile – we are looking forward to seeing the potatoes grow.

Term 4: 28.02.22 – 08.04.22

Term 5: 25.04.22 – 27.05.22

Term 6: 06.06.22 – 21.07.22

Inset Dates 21/22

02/09/21

03/09/21

28/02/22

03/05/22

21/07/22

Learning is Hands on Fun!

Mint class pupils have been enjoying exploring percussion instruments. They have been learning together creating different sounds and rhythms through banging and tapping the drums.

The boys have also had fun in Numeracy, investigating 3D shapes. They really enjoyed engaging with the large inflatable 3D shapes in class.

Katy Cripps
Mint Class Teacher

Shape Fun for Basil!

Basil class pupils have also been having fun exploring the large inflatable 3D shapes in Numeracy! They all really interacted and engaged with the hands-on learning using the shapes. They had lots of fun finding objects in the classroom that were the same as the inflatable shapes.

Miriam Breda
Basil Class

Messy Learning for Parsley Class

Parsley class pupils have been exploring some hands-on messy learning. Joey loved shearing the foam sheep activity! Michael Y, Johndec and Michael W all enjoyed engaging with the gloop exploring activity.

Parsley Class Teacher

News from Head of Department

Exciting news of a new arrival Emma B, Basil Class Teacher has had a bouncing baby boy!

He is called Spencer and arrived on Wednesday 9th March early morning, weighing 7lbs 14oz. Mum and baby are doing well!

Look out for some egg-citing Easter fun in a few weeks' time!
