

## Independence in Everything

Well, let's see if the pupils in the Secondary Department are living up to the tag line.

Sorrel class have started their cycling project over at Warmley Wheelers. Here you can see the pupils choosing the bikes that they will be riding in the weeks ahead. I look forward to hearing about all of them demonstrating independent riding where possible and to progress through the cycling skills. This cycling project is supported by the MENCAP All Move project.

### Term Dates

Term 5: 25.04.22 – 27.05.22

Term 6: 06.06.22 – 21.07.22

Inset Dates 21/22

03/05/22

21/07/22

## Help I'm bleeding!

The following pupils have become members of Amber's First Aid Club: Nico, Jaylen, Cam, Maddy, Jake, Mya, McKenzie, Rio, Caden, Summer, Jess and Austin. They have been learning about all aspects of first aid and have been given their very own first aid kits. Cam and Jaylen were very quick to independently respond the other day when we had a minor injury in class. Well done everyone, school is now a safer place.

### Easter Bake Off

#### Move over Paul Hollywood!

Some secondary pupils were busy in the kitchen preparing some cakes for our Easter Cake Factory. Great to see such focused independent work from everyone. Well done!

### On a mission!

On behalf of the School Council, Summer, Jess and Issie visited a playground recently to begin the process of choosing a suitable wheelchair accessible roundabout and swing for the school's outdoor play area. Such an important job to make sure everyone can be included and play as independently as possible in the playground.

### Other News

The pupils have loved being able to get together as a whole department for assemblies and to have lunch together in the hall. It is such a fantastic opportunity to develop our independent eating and social skills. Well done everyone for adjusting back to being in a big group.

I think you will agree that the above examples illustrate that the pupils are working incredibly hard and they are always striving to complete their work as independently as possible. Let's see how the cyclists, first aiders and bakers get on over the next few weeks to develop their skills and be even more independent. Well done everyone.
