

Happy New Year!

I think we are all hopeful that 2022 will bring better times.

School Council had a great meeting this week and have big plans for this year including bring in a photo of your pet day, and a get your bike security marked event. They have taken over the role of deciding on the Citizen of the Month award, which is presented for outstanding citizenship and determination.

We would like to say a huge thank you to Dunelm, Brislington, for their very generous gifts at the end of last term- we were overwhelmed by the generosity.

     + 
Bring a photo of your pet to school and college

     
On 15th January everyone is being encouraged to bring

    +  
a photo of their pet to school and college. This

     
is an idea from School Council. They want everyone to

  +    
feel happy and to be able to share something about

      
their pets. If you don't have a pet, you can bring

    **1** 
in a photo of someone else's pet or one you

  
would like to have.

Friends of Warmley Park School and College

If you received any unwanted presents over Christmas you can re-gift them to The Friends of Warmley Park School and College for upcoming fundraising events. Please pop them into the school office at your convenience or send into school with your son/daughter. Thank you in advance!

One of our lovely Access Assistants, Sophia is kindly fundraising for the school to be able to purchase some more Sensory toys. If you would like to make a donation, please follow this link: <https://gofund.me/0b166bea>

Even a small donation could help Sophia reach her fundraising goal. If you are unable to make a donation, it would be great if you could share the fundraiser to help spread the word. Thank you!
