After a two year break, it was fantastic to be back at Okehampton army camp for the 2022 Ten Tors Jubilee Challenge. On Friday 6<sup>th</sup> May, 17 intrepid students made the trip down to Okehampton. We stayed in the local Youth Hostel where we were shared a delicious meal of pizza and wedges, followed by apple crumble and custard – carb loading at its best! The next morning we were up at 5.30am to get ready for the challenge itself. The weather was glorious and really helped to add to the atmosphere. We had three teams entered this year, two on JC route 1 which covered 7.8 miles and one team on JC route 3 which covered 11 miles. The teams had all trained really well from December to May doing walks over Lansdown and the local area and were ready for the challenge.

As you can see from the smiling faces, everyone was really proud of what they had achieved. We are certainly very proud of them. A massive thank you as well to our fabulous staff team (Tim, Eva, Russell, Pete, Sarah, Deb, Dan, Beca, Luke, Kris and Claire) who trained with the students and gave up their Friday night and Saturday to make sure the event went smoothly and students were able to get as much out of it as possible.

**Well done everyone!**
