

Exploring with Clay

Sage class pupils have been enjoying and exploring clay with Eva. The children have been mapping the Forest school area using clay and making their own figures. Amazing work everyone!

Jess Plews
Sage Class

Say Cheese!

This is the way we brush our teeth- up and down, round and round, left to right! Early Years children have been working hard on practicing their teeth brushing this term. Just look at those pearly whites!

Amy Jones
Head of Early Years

Term 4: 22.02.21 – 01.04.21
Term 5: 19.04.21 – 28.05.21
Term 6: 07.06.21 – 21.07.21

Inset Dates

Tuesday 1st September
Wednesday 2nd September
Friday 12th February
Thursday 1st April
Wednesday 21st July

Basil Explorers!

This term, Basil class pupils have achieved a great target: getting everybody outside and enjoying the good weather. We have all greatly benefitted from spending some time with nature. We had a wonderful day enjoying a Forest School morning session, playing games, and running around the field in the lovely sunshine!

Jay from Basil Class has been learning some new skills in his Forest school sessions. Great achievement Jay!

Miriam Breda
Basil Class

Quacking Time!

5 little ducks went swimming one day... Oregano class pupils loved hatching our very own 5 little ducks! We have enjoyed having all different children from the school coming to visit! They have gone back to the farm now where they will have more space to grow! We have had a lovely time exploring farms. We have been reading the story 'Farmer duck' and thinking about other people who help us including doctors, vets and lolly pop crossing patrols.

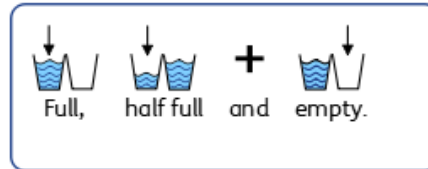

Leigh Allen
Oregano Class

Maths work on Capacity

Mint class pupils have been working on:

We started with water to fill jugs, pots and cups.

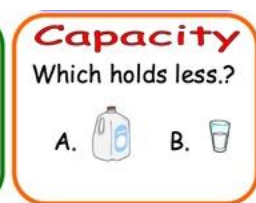

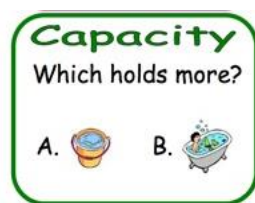

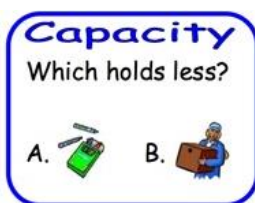

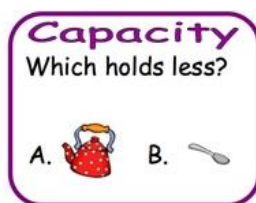

Next, we tried green slime!

Would it make it harder or easier to fill our jugs, pots and cups?

Mint class boys really enjoyed the maths learning play.

Katy Cripps
Mint Class

Mental Health and Relaxing!

Chamomile class pupils have been talking about mental health and what we can do to keep ourselves calm and relaxed. Here we are having a go at relaxing.

Chamomile Class
Rhian Maw

News from Head of Department

It was great to see so many parents/carers face to face this term for IEP meetings. Thank you for coming and thank you also to those of you who filled out a feedback sheet.

What a busy term we have had with lots of exciting fun! Star Wars Day, Forest School, Cycling Sessions, Celebrations Play Day and little baby ducklings hatching. I can't wait for the exciting events we have planned for next term!

Here are a few things that will be happening in Term 6:

- World of Work Week
- Play Fest
- Celebration Assemblies

This week the pupils have been learning about the Platinum Jubilee and the Queen. Our play day theme was celebrations and all the pupils had lots of fun!

We all hope you have a wonderful half term and enjoy the Jubilee Weekend!

Reminder for Term 6

As the weather is getting warmer, please remember to send your child in with a hat and some sun cream.

Emma Saunders
Head of Primary
