Statement Introduction

This statement sets out the school's arrangements for managing the access of providers to the school for the purpose of giving them information about the provider's education or training offer. ***This complies with the school's legal obligations under Section 42B of the Education Act 1997.***

Pupil Entitlement

All pupils in Years 8 - 13 are entitled to:

- Find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events.
- Understand how to make applications for the full range of academic and technical courses.
- For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for year 8 to 9 pupils and two encounters for year 10 to 11 pupils. It will also be mandatory for the school to offer two encounters for students in years twelve and thirteen but optional for learners to attend.

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- Share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers.
 - Explain what career routes those options could lead to.
 - Provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider).
 - Answer questions from pupils.
-

Meaningful provider encounters

One encounter is defined as one meeting/session between pupils and one provider.

We are committed to providing meaningful encounters to all pupils, regardless of identified or additional need, a physical or learning disability, race, gender or faith.
