

What do I do if I have a question or concern about my child's learning or wellbeing?

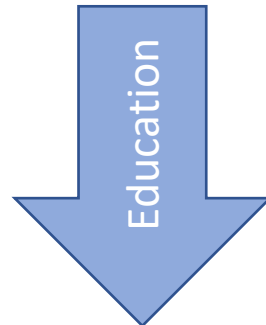

Class Teacher

Contact your child's class teacher via Seesaw or the school office (01454 867272). They will be able to give a clear picture of how your child presents in school and discuss next steps.
They will also liaise with colleagues if appropriate:

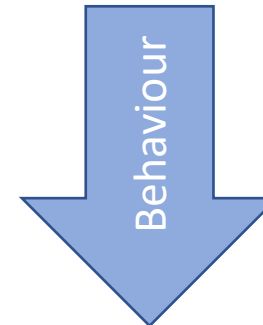

Family Support – Aimee.

Aimee will support your family's needs and will signpost to agency support within the community.

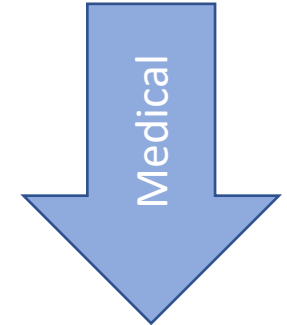

Head of Inclusion - Georgia.

Georgia will liaise with professionals, such as OT, speech and language, and will answer queries relating to your child's EHCP.

Pastoral Lead – Russell.

Russell will work with your child's class team to identify and implement strategies to support your child's wellbeing and behaviour.

Lead Medical Officer - Jo.

Jo will oversee your child's medication and liaise with health professions and help with the running of clinics.

Safeguarding Concerns

If you have concerns over the safety of your child or another child at school, please speak to one of our Designated Safeguarding Leads (Beth, Zoe, Amy, Aimee or Georgia).
