

 Today  at  school council  we  decided  that  the 27th  January

 will  be 'Bring a picture of your pet to school' day.

 College  shared  that  some  pupils  would  like  some  outdoor

 exercise equipment  for  their  college.  We  need  to think about  how

 we  could  fundraise  for  this.

 We  talked about  creating  a  rota  to  take turns  to  bring  a  guest

 to school council  to  allow  others  to  experience it.

 Members  discussed  that  they  rarely  see  secondary  play

 rangers  and  that  the  play  equipment  is  not  being  put  out.
