

Warmley Park School Newsletter

December 2024

Headteachers message:

It has been an exciting Term for us all here at Warmley Park.

Classes have been out and about locally, with library visits, adventure playgrounds, community project work with churches, allotments and care homes being just a few things that have enriched the curriculum.

We have been proud to share that we have a celebrity in our midst – Owen has been featured by Bristol Bears as being an inspiration to not only those of us lucky enough to work with him every day, but also by many others.

As I am passionate about caring as much for the children we will never meet as those we know well, this has inspired me, and I hope that you will have a read of his story and be likewise inspired.

Sadly we will be saying goodbye to some staff as they move on to exciting new adventures.

Sarah Crew, Hayley King, Martin Okon and Adam Rider have given the school and the children they work with, their dedication, skills and love, and we will miss them all and wish them the absolute best.

I do hope that you may be able to join Marian and myself in the Family & Friends Christmas Café, I still have a lot of you yet to meet, so do pop along, or introduce yourself in another way.

I wish you and your families a very happy festive season and as we welcome in 2025, I look forward to a new year of continued support for each other.

ARBOR

Arbor links have been sent to all parents/carers that have given us their email addresses.

You should now be able to use Arbor to make payments for school lunches.

If you have any issues with this, please speak to us in the office.

Please check your junk folders if you are not receiving any emails from us, but have been set up.

Reminder

Our children will continue to access the outdoor environments, developing communication and social skills as well as having their physical and mental health being well looked after.

Please remember to send your children with named wellies and coats, hats and gloves etc..
