Topaz Class Newsletter Autumn 2

Welcome back to another busy half-term! I hope that you all had a lovely break and feel ready for an exciting term ahead.

Science

Animals including humans (Skeletons and movement)

Identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.

Identify that humans and some other animals have skeletons and muscles for support, protection and movement.

Our Gospel Value this term:
Peace.

This Term's general theme:
Food for Thought
British Values:
Mutual Tolerance

Maths

Fractions
Measurement
Money
3D Shapes

English

Narrative : Gulliver's Travels

Non- Fiction : Skeletons and Muscles (a non-chronological report)

Daily no nonsense spellings

Weekly spellings, grammar and punctuation

P.E

PE is on Tuesday with Mr Evans from Evolution. Please make sure children have their P.E kits in school everyday.

P.S.H.E

(Personal, Social, Health and Education)

Valuing differences

Children will learn about recognising similarities and differences between people.

RE

Christmas, God with us.

- In what ways is God with us?
- How does it feel to be in the presence of God?
- How did/does the presence of Jesus have an impact on people's lives?
- In what ways are we in the

French

Focus: Food

. We will learn the vocabulary for a range of food, to express likes and dislikes, and to count and use plural nouns.

Things to remember to bring to school every day

- ~ Reading book and reading record
- ~ A coat
- ~ A water bottle

Homework

Daily

- Learning spellings
- Times tables Rockstar for a minimum of 10 minutes per day to ensure your child is frequently practising up to 12 times tables.

- Reading to an adult at home every day

Reading is so important for your child's development and progress across the curriculum, so please encourage your child by listening to them as often as you can.

Topic (Geography and Design Technology)

Locational knowledge

Locate and name the countries making up the British Isles, with their capital cities. (Basic symbols and key on Ordnance Survey maps).

Food

We will focus on understanding and applying the principles of a healthy and varied diet. Use research and develop design criteria to inform the design of innovative, functional, appealing products that are fit for purpose, aimed at particular individuals or groups.

Half Termly

Each half term your child will receive some different creative open-ended project tasks to be completed by a given date. The projects will be based on the topics we are doing in class and will have instructions about what we want your child to do and how we want them to present it.

We would encourage you to support your child and work together on the projects, where necessary, and the children will then share their projects with the rest of the class once they are completed.

All homework will be on the school website for you to access and our class page will be updated frequently so you can see what we have been learning and experiencing in class.

If your child cannot complete their homework for any reason, please don't hesitate to contact us in school. If your child doesn't hand in their homework on time without a reason from a parent/carer they will be expected to complete the work at lunchtime.

And finally ...

The education of your child is a partnership between you and us. Please contact us if you have any worries or concerns about your child or feel there is something we need to be aware of. If you cannot see us at school, we can be contacted via the school office.

Here's to a wonderful half term!

Mrs Ahmad
