

What are we learning in Autumn One?

Warton St Paul's
Church of England Primary Academy
A member of CEDARI

Communication and Language and Literacy

We will be starting Phase 2 phonics and beginning to learn the sounds letters make. We will be making marks and beginning to write some letters. We will be learning to recognise and write our names. We will be practicing talk routines in class - "Good morning, how are you?"

Maths

We will be securing a deep understanding of numbers 1-3 by reciting numbers to 10, developing 1:1 correspondence when counting, subitising, comparing amounts and beginning to write numbers to 3.

Things to remember:

PE - Tuesday

Forest School - Wednesday

Read book and sign journal every evening

Bring a water bottle to school

Understanding the World and Expressive Art and Design

We will be thinking about what we look like and trying to paint or make other representations of ourselves. We will be learning about our families and where we belong. We will be learning about our bodies and how we can stay healthy. We will be closely observing the change of season to Autumn.

RE and Values

We will be thinking about what makes each of us special and how we are known to God. We will also be learning about another faith, Islam.

Our value this half term is Respect. We will be looking for children who are 'Living out our values' to receive an award in Celebration Worship each Friday.
