

What are we learning in Autumn Two?

Warton St Paul's
Church of England Primary Academy
A member of CEDARI

Communication and Language and Literacy

We will be finishing Phase 2 phonics and continuing to learn the sounds letters make. We will be making marks and beginning to write some letters. We will be moving on to writing some words and phrases. We will be telling stories to our friends in class.

Maths

We will be learning the numbers to 10 and placing numbers 1-10 in order. We will be introducing number bonds to 5. We will also be introducing 2D shapes.

Things to remember:

PE - Tuesday

Read book and sign journal every evening

Bring a water bottle to school

Understanding the World and Expressive Art and Design

We will be learning about materials and thinking about the best materials for different purposes. We will be learning about different celebrations such as Diwali, Bonfire night and Christmas. We will be making lots of crafts for these celebrations.

RE and Values

We will be learning about Jesus' birthday and how this is celebrated each year. We will be starting to learn our roles and songs for the infant Nativity. Our value this half term is Thankfulness. We will be looking for children who are 'Living out our values' to receive an award in Celebration Worship each Friday.

Phonics and Literacy

We will be moving on to Phase 5 sounds this half term.

We will be focussing on applying phonic knowledge to write simple words and sentences. We will be looking at letter formation and building fine motor skills.

We will be reading lots of traditional tales, learning about their structure and practicing repeated refrains.

Maths

We will be learning about 2D shapes, sorting them and grouping them by their properties. We will be introducing money and time and learning about how they are used in everyday life. We will be learning number bonds to 10 and thinking about how we can use them to solve other problems.

Things to remember:

PE - Tuesday

Read book and
sign journal every
evening

Bring a water
bottle to school

Science and Topic

We will be learning about everyday materials and the uses of them for different purposes. We will be grouping and sorting materials.

We will be thinking about where we live in the UK and other interesting places close to us.

We will be making some decorations in DT to support our learning about celebrations.

RE and Values

We will be learning about Jesus' birthday and how this is celebrated each year. We will be starting to learn our roles and songs for the infant Nativity.

Our value this half term is Thankfulness
We will be looking for children who are 'Living out our values' to receive an award in Celebration Worship each Friday.
