

Practise your times tables, counting in 10s, 2s, 5s and 3s.
Boost your skills with Times Tables

Rock Stars!

There are 7 continents in the world. Can you find a fact about each continent?
Practise your spellings every day, ready for your spelling quiz on Fridays.
Which continent is your favourite?

Read your school reading book every night and share

a story before bed.

Why not write a book review about a story you particularly enjoy?

Ask your grownup for some coins to count. What is the best way to count all the money? Big coins first? Make 10s? Put all the same values together? Randomly? How much do you have altogether?

Emerald Class Homework

Enjoy discovering new facts and sharing them with the rest of the class. Please bring any pieces of homework back before the end of half term.

Autumn 1

Up, up and away

What is your favourite book? Why is it your favourite? Is it important to you? Draw a picture and tell me why you love this book so much.

We are reading lots of terrific traditional tales with a twist this half term! Have fun swapping the goodies and baddies around to change a traditional story, for example, a gentle wolf, and a mean Little Rude Riding Hood! You could write or act out your new story, use small world models or do a puppet show. Ask your grownup to take photos!

Can you design your own vehicle? How long does it take you can you make it different from a normal to brush your teeth, eat vehicle? Remember a vehicle has to breakfast, travel to school, have wheels. Draw and label your have a shower, clean your vehicle.
room, do 10 star jumps, Can you make a model of your design hop around the garden, play a favourite using cardboard. Bring this into school. game, etc.? What can you do in two minutes? Try lots of different things! Record these timed activities in a table and write questions for someone to find the answers too from the data collected.

How do we know when something is living or non living? What 3 things do they need to do? Go on a hunt outside. In your garden, at the park. What can you find that is living or non living?

Write or draw these in a table.
