Computing

Our topic this term is Questioning. Children will use technology purposefully to create and manipulate digital content.

Music

Every week, Mrs. Towers will be teaching Music to Emerald Class.

Daily

- Learning spellings
- Times tables Rockstar for a minimum of 10 minutes per day to ensure your child is frequently practising times tables.

- Reading to an adult at home every day
Reading is so important for your child's development and progress across the curriculum, so please encourage your child by listening to them as often as you can.

History – Great Fire of London

Year 2 will learn how the Great Fire of London in 1666 destroyed much of the city due to wooden buildings and dry weather, and that Samuel Pepys's diary gives us a first-hand account. They also learn that after the fire, London was rebuilt.

DT – Design a Sandwich Bag (sewing)

Half Termly

Each half term your child will receive some different creative open-ended project tasks to be completed by a given date. The projects will be based on the topics we are doing in class and will have instructions about what we want your child to do and how we want them to present it.

We would encourage you to support your child

And finally ...

The education of your child is a partnership between you and us. Please contact us if you have any worries or concerns about your child or feel there is something we need to be aware of. If you cannot see us at school, we can be contacted via the school office.

Here's to a wonderful new term!
