

Sapphire Class Homework Spring Term 2

Please choose at least five activities to complete. We're looking forward to seeing your wonderful work by the end of term.

Thank you, parents and carers, for your continued support with home activities. 😊

<h3 style="text-align: center;">May the Force Be with You!</h3> <h3 style="text-align: center;">Homework</h3> <h3 style="text-align: center;">Year 5</h3> 	<p>Imagine you are a time-travelling child spending a week in an Anglo-Saxon village. Write a diary entry. What sort of activities would you have to do? Would you be going to school or learning a trade? What sort of toys might you have?</p> 	<p>Practise singing the 'We Are Anglo-Saxons' song (BBC Teach). When you are confident, you could enjoy singing with just the backing track version (on the BBC Teach website). Why not record yourself for us all to hear in class?!</p> 	<p>Experiment with make different shaped paper planes to investigate air resistance and see which flies the furthest. You could have a go at making:</p> <ul style="list-style-type: none"> • A classic dart plane https://tinyurl.com/yc7s85dx • A speed glider https://tinyurl.com/yc2p6fmm • A spy glider https://tinyurl.com/rchzsr6 
<p>Find out about Anglo-Saxon medicine and how they cured some common ailments such as colds and headaches. Create a persuasive advert for one kind of Saxon medicine.</p> 	<p>Looking at our Gospel Value of love, can you find out how people say, "I love you" in five different languages? Teach these to your family! Can they guess which language you are speaking?</p> 	<p>Recreate an object that was found at Sutton Hoo, the Anglo-Saxon burial site. Make an information card to go with it, explaining what it is and why you think it was buried there.</p> 	<p>Write an 'All About Me' fact-file in French to introduce yourself to a new friend. Tell them your name, how old you are, where you come from and some of the things you like (and don't like!).</p> 
<p>Measure and find the area of different rectangular objects at home - a table top, tablet, book... Can you measure and calculate the area of your bedroom?!</p> 	<p>Investigate how people around the world celebrate Easter and create a fact file to teach children in KS1 about this.</p> 	<p>Create a crossword of the scientific vocabulary we use for forces.</p> 	<p>Love is an action! Think of five practical ways you can show your family you love them 😊 You could wash up, listen to a younger sibling read, use kind words to give compliments, spend time helping make dinner...</p>
